RE: Engine Oil Licensing and Certification System
EOLCS License Number: 0754

Dear Juan Guzman:

Effective October 3, 2013, BARDAHL DE MEXICO SA DE CV is licensed by the American Petroleum Institute to display API's marks in accordance with the License Agreement. Unless otherwise revoked by API, your license will be in effect until March 31, 2014.

Enclosed is a Schedule A License Agreement and, if applicable, executed License Agreements between API and BARDAHL DE MEXICO SA DE CV. Schedule A identifies the specific products on which API's marks can be displayed. Please note that the company name shown on the attached Schedule A – License Agreement must match the marketer name as shown on the product labels.

Please review the *Schedule A License Agreement* to verify that it accurately reflects the products, which you wish to have listed. If BARDAHL DE MEXICO SA DE CV wishes to modify its license or correct a product listing, either by adding a new product, deleting product, or changing an existing product's formulation, an amendment package must be completed and returned to API. The forms required for amending a license can be downloaded from API's website at www.api.org. Use the following navigation chain to reach the appropriate site:

Certification Programs → Engine Oil (EOLCS) → Licensing Forms. If you do not have access to the Internet, please contact our office and we will be happy to mail them to you.

Thank you for licensing your products under API's Engine Oil Licensing and Certification System (EOLCS). EOLCS licensees are in the forefront of insuring quality motor oil. If further information is needed on this valuable program, please feel free to contact me.

Sincerely,

EOLCS Manager of Operations
